

## What You'll Learn

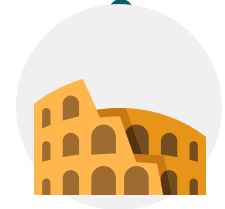

### Overcome The Fear

Learn how to overcome or use any nerves you feel about speaking so that you can deliver a great talk every time, and be full of positive energy and excited about all your talks from now on.

### Learn Presentation Structure

Master the 7 step process for delivering a great keynote presentation no matter how little notice you get, and learn how to create broad-spectrum appeal so that you can appeal to the highest percentage of any audience.

### Use The Stage Effect

Learn how to use The Stage Effect to become a great brand ambassador for your business and create maximum attraction and seriously effective influence.

### Become Memorable

Learn how to educate and train others most effectively so that people remember you, your talks and what you taught them, keeping your audiences on the edge of their seats: engaged and eager to learn more.

### Become Professional Speaker

Earn money while you promote your brand as a key player in your industry: from where you can find an abundance of speaking opportunities, to knowing how to outshine other applicants.

### Deliver Power Stories

Learn how to construct and deliver Power Stories. This proprietary process will change the way you approach your talks and will naturally lead clients to want to do business with you.
